

# NTM Field Office and Guest Home

## Advancing the Gospel in Northern Mozambique

**Problem** NTM began working in the field of Mozambique in 2004 and expects to nearly double the personnel by 2007. The current rented facility will not meet the need.

**Solution** NTM Mozambique plans to replace the existing facilities by purchasing land and building offices, guest housing and storage facilities.

**Benefit** The office will provide a base of operations for the team to meet collectively and develop strategies for reaching more than 14 people groups in northern Mozambique. The guest facility will be used for newly arrived missionaries to transition to their tribal locations, and for language checkers, short term teams, and group training and planning sessions.

Land	\$ 80,000
Buildings	\$120,000
Total	\$200,000

**Purchasing Land and Constructing Offices, Storage Facilities and a Guest Home.**
