

# MK School Dorm Extension

**More room  
for students**

**Three  
dormitory  
rooms, a  
bathroom and  
recreational  
space for  
the Malango  
School dorm**

**Problem** Because of the influx of students this year, the present dormitory space will not be adequate.

**Solution** Build three new dorm rooms, a bathroom and recreational space.

**Benefit** The school meets the needs of tribal missionaries who desire a quality education for their children but want to be close enough to still have a parenting role in their lives. Adding the additional rooms will allow more tribal missionaries to meet the educational needs of their children.

**Total cost: \$37,000**
