

# Outfitting the Burnham Center

**Help to furnish the Martin Burnham Mission Center to provide a safe and comfortable environment.**

**Problem** The project is to furnish the Martin Burnham Mission Center to provide a safe and comfortable environment in which our NTM missionaries can come to rest after time in their tribal ministry, as well as for guests and others in the Philippines Christian community.

Facilities are also needed for missionaries to stay while seeking medical help. The present guest home facilities are inadequate because of the increase in laborers. The mission center has added training and meeting facilities and furnishing are needed for that.

**Solution** To purchase furnishings to prepare the Martin Burnham Mission Center for use.

**Benefit** Your gift will increase the effectiveness of tribal missionaries in the Philippines by giving them a place to be refreshed and return with renewed strength and vigor. The missionaries in the Philippines have raised \$12,000 toward the project.

**Total Cost \$59,000**

**The present guest home facilities are inadequate because of the increase in laborers.**
