

Aziana Teaching Materials

New Testament and portions of the Old Testament were printed in the Aziana language in 2005 and again in 2007.

Problem New Testament and portions of the Old Testament were printed in the Aziana language in 2005 and again in 2007. The missionaries and tribal church leaders have revised the Bible lessons, teacher manuals and a children's Bible storybook. These revisions will be incorporated into the next printing. The believers, numbering about 400, desire to reach the more than 800 other Azianas who have not trusted Christ.

Solution Print copies of Aziana literacy books, Bible lesson materials, and a three-volume children's Bible storybook for distribution and use for the Aziana believers.

Benefit Your investment in this project would help perpetuate literacy and Bible teaching by the Aziana church leaders. You would be a part of reaching the 800 Aziana who have not trusted Christ.

Total Cost \$47,920
