

NTM Daily Bulletin in Spanish

Help make it possible to translate the Daily Bulletin into Spanish.

The Daily Bulletin gives information on what God is doing.

Problem We desire to provide news on tribal church planting progress to our Spanish speaking partners worldwide by making the NTM Daily Bulletin available in Spanish. The Daily Bulletin gives information on what God is doing, how to effectively pray, and how to become involved in tribal church planting. This will also give opportunities to access resource material on tribal church planting.

Solution This project will make it possible to translate the Daily Bulletin into Spanish and include it on the new NTM Spanish language website.

Benefit Your gift will make NTM mission news available via internet to all Spanish speaking countries as well as to the millions of Spanish speakers throughout the world. You can increase your involvement by helping to challenge Spanish speakers to become involved with New Tribes Mission. This costs \$360 a month, and we are seeking to fund the next five years of translation.

Total Cost \$21,600
